

**2014 Zion's Bank
Paint- A- Thon**
(Referral Information)

This year will mark the 23rd year of the Zion's Bank Paint-a-Thon. This is the bank's largest employee volunteer project where employees, their family members and friends join to paint the homes of senior citizens and/or the disabled during the first or second week of June. They typically paint a total of 50-54 homes each year in Idaho and Utah. The bank purchases all painting supplies and materials.

Zion's has asked the Sandy Pride Committee's assistance in helping identify individuals or families who could benefit from this service project. Attached please find a Fact Sheet and the 2014 HUD Income Guidelines, which they use to qualify individuals. They are looking for individuals with the following criteria:

- *At least 65 years of age and/or are disabled;*
- *Own the home in which they live; and*
- *Within the HUD income guidelines (copy attached).*

Zion's has found this volunteer project to be a very satisfying one for both their employees as well as those whose homes they paint. They feel it is their opportunity to give back in a large way to the communities we serve.

Should you have prospective individuals that may qualify for this service, please contact Angela Snyder with Sandy City Community Development Department (801.568.7254 or asnyder@sandy.utah.gov) with the owner(s) name, address and contact information prior to the deadline date of April 1st. This information will be passed on to Zion's Senior Vice President – Community Relations. They will then contact the candidate to confirm their qualifications. If they are chosen, Zion's will proceed to coordinate the painting project with the owner's from there. Paint-A-Thon projects are typically completed in the month of June.

Thanks for your assistance.

FACT SHEET
